Data Protection Expert Group	Waste Transport Seminar	CIV Working Group	Berner Tage	CIM Working Group
				
The Data Protection meeting focuses on claims ensuring online safety with relevant regulations and policies. The meeting is held exclusively for CIT members online on MS Teams.	This Seminar co-organised with the Basel Convention Secretariat explores the best practices and regulatory frameworks for a safe and efficient transport of waste by rail.	The CIV Working Group is dedicated to international rail passenger transport. Three sessions each year. cf. CIT organisation in page 6.	The Berner Tage 2024 offers statements, panel discussions, and keynote speeches led by experts and leaders of the railway industry. These sessions cover various aspects of passenger and freight transport. An event open to all interested parties to gain knowledge about legal matters in railways.	The CIM Working Group is dedicated to international rail freight transport. Two sessions each year. Cf. CIT organisation in page 6.
